

Presented by David Blume  
Author of "Alcohol Can Be A Gas!"

# Alcohol Can Be A Gas!

The World's Premier Ethanol Workshop

Saturday, October 6<sup>th</sup>  
at Portland State University

"There are hundreds of crops in every state of the Union from which we can make renewable fuels. I have personally worked in the renewable energy sector in one form or another for close to four decades and I can recommend Alcohol Can Be a Gas as the best book I have ever read on the subject."

*Larry Mitchell, Chief Executive Officer  
American Corn Growers Association*

## At This Ethanol Workshop, David Blume Reveals:

- The next big economic opportunity for America
- How informed citizens and businesses can quickly solve Peak Oil
- How to make home-grown fuel for \$.45 per gallon
- How to get the government to pay you \$.61 per gallon to use or sell your fuel

## This Is The MUST ATTEND Workshop for:

- Sustainably Oriented Citizens
- Biofuel and Renewable Energy Enthusiasts
- Food Distributors and Grocers
- Fleet Owners and Operators
- Peak Oil Groups
- Environmentalists
- Community Development Corporations
- Intentional Communities
- Farmers
- Contractors
- City Administrators & Planners
- Boat/Plane/Car Owners
- Permaculturalists
- Teachers
- Do-It-Yourselfers & Home Brewers
- Self-Sufficiency Enthusiasts
